

TuffRock

Supporting Nature's Balance™

Horse Care Kit

Ph: 0800TUFFROCK
FOR YOUR NEAREST STOCKIST

TuffRock Conditioner Plus - 1 litre *The Collagen Effect™ for horses*

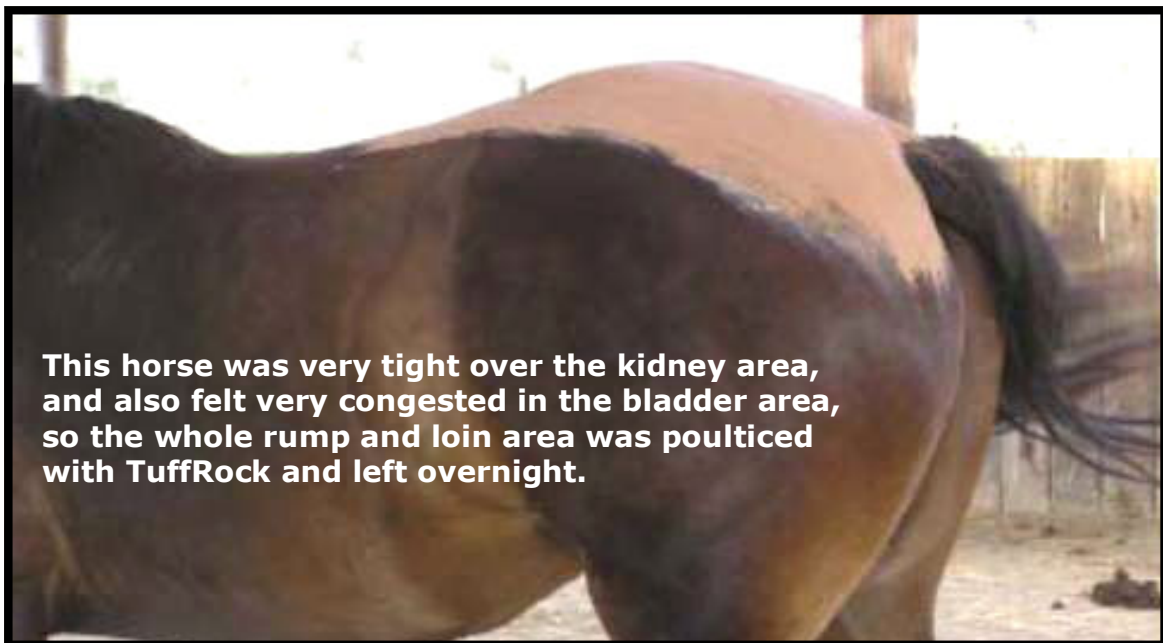

Powerful all-in-one liquid feed supplement for everyday use. Supports collagen generation, digestive health and feed conversion. Excellent for joint, muscle, ligament, tendon, hoof, coat, mane, tail and top line. Safety net for horses on hard feed, naturally supports toxin removal. Helps aged horses maintain healthy, supple joints and overall well-being.

Use 20ml twice a day for GI cooling, stomach stress (nervous horses), injury recovery or healthy joint action, collagen is important for healing.

TuffRock Non-Medicated Poultrice - 1.8 kg *World's first energised volcanic poultrice*

Excellent for daily support of performance horses. Quick cooling action, hoses off easily to re-apply. Maintains healthy, supple legs, backs and joints. 100% natural support for healing of minor cuts and abrasions. Can be used with or without wrapping anywhere on the body.

This horse was very tight over the kidney area, and also felt very congested in the bladder area, so the whole rump and loin area was poulticed with TuffRock and left overnight.
